

The
ARIZONA MINI OWNERS
Invite you and your Unique Little Car
To join us for the
28th SW Unique Little Car Show
In Prescott, Arizona
April 4th, 5th & 6th 2008

Prescott is in central Arizona amid the largest stand of Ponderosa Pine in the world. Prescott was the Territorial Capital of Arizona in 1864 and much of the original architecture has been restored from construction in the late 1800's.

The Governor's "mansion" is preserved at the Sharlot Hall Museum where other historical structures have been brought to the site.

There are many other attractions in Prescott. Lots of quaint shops surrounding the Courthouse Square offer everything from ice cream and pizza to Birkenstocks and antiques.

There are lakes for fishing and boating, a Zoo, golf courses and tennis courts, a roller skating rink and a bowling alley so there is plenty to keep everybody amused.

The average temperature in Prescott in April is upper 50s during the day, dropping at night so come prepared with jackets and sweatshirts.

Our headquarters Hotel will be the America's Best Value Motel where we have arranged a special rate of \$69.99 per night + tax. You must call 928-776-1282 and mention the Unique Little Car Meet when making your reservation before March 4th to obtain this rate.

We are arranging all the usual features, the show itself we are opening to all unique vehicles at the owners discretion. If you feel you have something Little and Unique by all means bring it. The number of show awards and the classes will depend at the pre-registration figures so gather the fellow owners of your car's family together and register early.
